### Week 7 Autumn 2 2024

Wow what a great end to an exciting term at school. We would like to thank the Year 1s who have really risen to the challenges of being Year 1s, we are so very proud of your fantastic attitude to your work and your eagerness to learn. We would also like to thank the EYFS children for settling into school life so well and again their amazing attitude and keenness to learn. A huge thanks as always to all the parents and carers for your continuing support and help it all makes a huge difference.

In amongst some of our normal work we have also managed to fit in finishing off Christmas crafts. The children decorated a bag in which they brought home their craft - this includes a Christmas card for their families, a calendar for 2025, a bag of reindeer food to sprinkle outside on Christmas Eve, a wooden decoration to hang on their tree amongst many other things! Luckily everything fitted into their craft bag.

It certainly has been a busy and productive week!

The children took part in the school church service and enjoyed seeing the other children perform as well as singing two of the nativity songs with Leopards. Luckily the children still managed to find some energy for our Christmas party which we had with Leopards in the hall. Great fun was had, including playing pass the parcel, musical statues and musical bumps, as well as taking part in some great party games.

We want to say again a huge well done to everyone for this busy and exciting term (children and parents) - we hope you get some rest over the Christmas period as well as having fun.

Please try to do some phonics/ Tricky Words/ reading with your child over the 2 weeks - it really makes a difference. We hope you have a lovely peaceful time and the children get to recharge ready for the next adventure!

May we thank you again for your kind words and generous gifts and wish you all a peaceful and Happy Christmas.

As always please ask if you have any questions.
