Dear Parent,

2024/25

## Medical Diet Request

You have requested a special diet for your child in school. In order for your child to receive a different diet provided by our kitchen staff, Derbyshire Catering require you to submit information using their online portal, this also asks for supportive documentation from a doctor or hospital stating their allergies.

The link is [Allergies and special diets - Derbyshire Catering Service](#)

There is no need for parents or carers to reapply if we already have their child on record and there are no changes to the child's requirements.

To ensure that Schools, Derbyshire Catering Service and parents or carers are aware of their responsibilities in providing meals for pupils with medical dietary requirements, we have developed the attached Medical Diet Safeguarding Standard.

If you require any help with this portal please contact [cs.catering@derbyshire.gov.uk](mailto:cs.catering@derbyshire.gov.uk)

Kind Regards

Marie Clark
