Kindness – Respect - Diversity

EYFS Tigers

Week 1 Spring 2 2025

We hope you have all had a lovely half term break and are looking forward to lighter evenings and hopefully warmer weather.

Thank you all for managing time to keep practising the reading and learning those tricky words and sounds it makes a huge difference. The children have really started to apply their reading knowledge into the writing and this can be seen in their Early Morning Books - do come in and have a look at Open Door.

The children have had a good week settling back into the routines. They have been practising their mindfulness in the mornings alongside an active wake and shake which all ties in with our new PSHE topic this term of 'Healthy Me'. We have been talking about the things that help make us healthy including the physical activities we all enjoy which help keep us fit. We will continue this work over the next few weeks exploring other areas which are important in keeping us healthy such as food and drink, keeping clean, looking after our teeth and looking after our minds. The children continue to enjoy their music lesson with Miss Grant each week and have great fun learning.

The children have been practising their fine motor skills through a variety of pencil control exercises as well as learning to write the 'sloping letter family'.

In maths this week we have been focussing on number 9 learning how to form the number, count carefully and start to think about the composition of numbers. We have also been trying to complete and then think of their own repeating patterns.

We finished the week by finding out how people in Wales and around the world celebrate St David's Day. We found out a little about Saint David and who he was and then found out how people celebrate this special day. The children then had a go at creating their own paper and card daffodil flower and a Welsh dragon made from a spoon or fork, they brought these home to share with their families.

Next week will bring excitement with Pancake Day and it is also World Book Day!

As always please do come and ask if you have any questions.
