EYFS Tigers

Week 2 Autumn 1 2025

Well done everyone (children and parents) for another great week, the children really have done brilliantly and we are very proud of them all.

The children have continued to settle well, learning new routines such as our physical literacy - Wiggle to Squiggle which will help develop their handwriting skills. They have also been introduced to our maths sessions where we have started with our counting songs and reciting numbers. The children have also enjoyed the school lunches and the extra playtime.

We have really loved sharing their 'Talking Shoeboxes'. These have been fantastic in helping us get to know the children and a huge thanks to everyone for bringing in.

The children have continued to learn about our morning 'Rainbow Cards' which encourage them to try a range of activities over a week.

We made the most of the better weather on Friday to further explore the Tiger playground and all the amazing activities it has to offer. We also had a good look around the rest of the school whilst it was quiet and the older children were at cross country practice.

We continue to explore what makes a good friend and the children worked in groups discussing what they think makes a good friend.

They have all coped well with this second week and are excited to be staying all day from Monday!

Reminder for EYFS parents:- Meeting Wednesday 24th September 2.30pm in school.
As always if you have any questions please just ask.
