

EYFS Tigers

Week 3 Autumn 1 2025

Well done to our EYFS friends on their first week of full days in school, there is a lot to get used to and it can be very tiring. They are coping well and getting to know each other and have started to find out about a lot of their new afternoon routines.

They started their 'Dino-Roar' topic with some fabulous dinosaur art to spark their interest. They made these 3D dinosaurs, decorating them and giving each one a name, they then took them home to share with their families. They also created the dinosaur silhouette paintings seen on this week's collage, this gave them a chance to practise their painting and glueing skills as well as developing their listening skills. They do look amazing - pop in and see them at Open Door next week.

They had great fun in their music session with Year 1's and Miss Grant (Lions teacher) and are looking forward to a game with a frog next week!

They had a super time on Wednesday afternoon up in the big playground, exploring the trim trail as well as using the chalks to draw on the floor. They continue to love our Tiger yard with lots of tower building going on this week!

The children were also introduced to 'Jigsaw Jenny' part of the whole school PSHE (PSED) scheme. During these sessions we will help the children get to know each other, learn how to identify and express their emotions as well as having fun.

Thank you for coming to the meeting on Wednesday to find out about the EYFS year and we hoped the information you have received is useful - please ask if you have any questions.

They have all had a wonderful first full week - don't forget to keep things as low key as you can at home to help them cope with all the new exciting things they are experiencing in school. They will develop their school stamina and remember if you have any questions about anything please just ask.
