Tigers

Week 8 Autumn 1 2024

EYFS have had a lovely week finishing off our topic 'Dino-Roar', the children chose their favourite part of the topic to share with their friends.

They also enjoyed some pumpkin fun with some pumpkin carving alongside exploring the seeds to see how it all felt and smelt. They then created their own pumpkin face from paper using their ever growing scissor skills. They got to take these home to share with their families. The Year 1 children have been consolidating their maths and phonics this week and have been amazed at how much they have learnt in such a relatively short time.

They had their last forest school with more marshmallow melting and tasting and wood whittling. They all made thank you cards to give to the leader Raven. It has been a fantastic opportunity for them all which they have really enjoyed.

They have also been having some pumpkin fun taking part in some carving as well as creating a 3D pumpkin model to take home.

A huge thanks to you all for attending the parent evenings this week and we hope the report and targets you received were useful.

EYFS parents have had a questionnaire to fill in to help next year's cohort, if you can kindly complete that.

At the end of this first half term can we congratulate our Year 1's on making that transition from EYFS to Year 1 - you are stars with your fantastic attitude and willingness to learn, you make us very proud.

Also a huge well done to our EYFS children and parents on achieving your first half term of school - the children have settled amazingly well and it really does feel like they have been with us forever! The whole of Tiger Class are a great group and a credit to you all.

It has felt a long first half term for them all but they have done so well - we are very proud of them. We look forward to seeing you all on Monday 4th November when we will be meeting at the village car park to go on an Autumn walk to Chatsworth. It is going to be a fun packed term leading up to Christmas!

Have a lovely half term.

As always if you have any questions please come and ask.
