## WHAT YOUR PTFA HAS BEEN UP TO SINCE SEPTEMBER

Since September, your PTFA has been quietly (and sometimes chaotically!) bringing the school community together and raising funds to give our children brilliant experiences and the little extras that make school special - from fun events to things that support learning every day.

Like everyone, we're all juggling work, family, packed diaries and life... but somehow, between us, things still get done. A raffle ticket here, a cake baked there, turning up to help for an hour - it all adds up and it really does make a difference.

School budgets are tighter than ever, so the PTFA has become an even more important way of helping the school give our children opportunities, resources and memories they might not otherwise get.

We're just a group of parents and carers doing what we can, when we can - and we'd absolutely love more people to be part of it. No experience needed, no pressure, just friendly faces helping out around busy lives, just like us.

Sarah, Jo, Lisa & Verity

### Meet your PTFA committee - Jo, Verity, Sarah & Lisa.

We're all working parents volunteering our time and doing our bit to support the school and our children's experience while they're here. Thank you for supporting the PTFA in whatever way works for you.

## LITTLE WAYS TO HELP (THAT REALLY ADD UP)

easyfundraising

If you shop online (supermarkets, Amazon, holidays, clothes, gifts), please use Easyfundraising and a small % comes back to school at no extra cost to you. It quietly adds up and helps fund the fun (without more events!).

Match funding magic

We're exploring match funding (where companies double what we raise). Barclays have already agreed to match £1,000 we raised from the Christmas Fayre - which is amazing and makes everyone's efforts go even further. Thank you Barclays!

## NOTE FROM MRS CLARK

*A big thank you to all involved in the PTFA and those who support it, for the wonderful efforts that have gone into this last term, to raise greatly appreciated funds for the school - it makes such a difference!*

-Mrs. Clark

## MEET THE YR6 PTFA AMBASSADORS

Digby, Lily-May, Violet & Penny.

They make sure the PTFA is truly child-led and we love having their voices at the heart of what we do

## UPCOMING DATES

### THURSDAY 5TH FEB

PTFA Meeting  
The Wheatsheaf  
7:30pm

### 150<sup>TH</sup> SCHOOL BIRTHDAY CELEBRATIONS

23<sup>rd</sup> - 25<sup>th</sup> June
