## SPRING 1, WEEK 5

### THIS WEEK:

We have had a very active week this week. On Monday, we had Crystal teaching us some more netball skills and games followed by a ballet lesson with Miss Phillipa on Tuesday.

In English, we have been inspired by David Attenborough and created a voice over for a clip of elephant seals in Antarctica sent by Dan at Halley VI.

In maths, we have been looking at length and distance and we went on a walk to work out how far 1km is.

In science, we learnt about different types of soil with Mr Bennett.

In RE, we created invitations to an Eid party after learning about the Muslim celebration of Ramadan.

In art, we looked at Sonia Delaunay and had a go at recreating her geometric shaped artwork.

### REMINDERS:

We have had a few hoodies going missing this week so please make sure you have everything labelled!

Please let me know if you're having trouble getting onto the spelling shed app/website.

Next week is the last week woohoo!
