

Baslow St. Anne's C of E Primary School
Life in all its fullness .. growing healthy minds and hearts together
Kindness - Respect - Diversity

Year 1 Tigers

Week 6 Spring 1 2026

The children have had a packed week starting with a tasty celebration 'Pancake Day'. They found out how to make pancakes and watched one being cooked. They then worked on their own set of instructions on how to make pancakes. They took part in tasting four different toppings and finding out which was the most popular in the class by making a pictogram using the information gathered. Do pop in and see what they discovered. We have also learnt about what ' Shrove Tuesday or Pancake Day' is and who celebrates it and when.

The children have continued to enjoy listening to Grandad, our class puppet, telling them traditional tales. They then worked really hard to use their plan from last week to write their own story. Once it was written they illustrated it and then shared it with their EYFS friends, they then got to take a copy home as well as leaving a copy in our growing library of books the children have written.

In our topic 'Bright Lights, Big City' we looked at how our fire service came into being and designed a poster about fire safety which we took home to share with our family.

The children had a busy but fun filled Design and Technology day to create their famous London landmark. They planned their model , labelling the plan and then worked really hard to make their model. Once it was made they shared these with Mrs Clark and their EYFS friends and talked about what they liked best about their models and what they thought could be improved. The models are part of a class display showing a map of London. Do pop in and see it at Open Door. After half term we will be taking a virtual trip to India and starting to find out what life looks like there.

The children had an ILP (Independent Learning Project) sent home this week with a variety of ideas that the children might like to choose from and try at home. They are then going to bring in their project at the end of Spring 2, as we finish our topic on 'Bright lights, big city' and they are going to share with parents at an assembly on Monday 23rd March at 2.30pm. Do come along if you can, Grandparents and carers welcome.

Thank you as always for your support over this past half term - do keep up the reading and spellings (days of the week) over the holiday if you can and also have a lovely break.

As always please do come and ask if you have any questions.
