## SPRING 2, WEEK 2

### THIS WEEK:

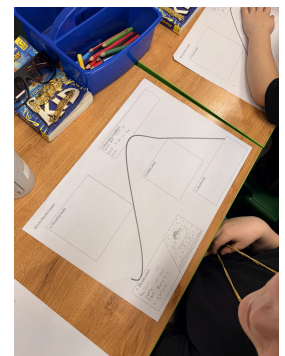

Wow! What a world book day week! We have had so much fun sharing books with all the children and parents from our breakfast with a book event to mystery readers!

We have also been creating a whole school "Ten Word Tiny Tale" inspired by the book by Joseph Coelho. Every child in the school has created a story in 10 words and illustrated it which we can't wait to show you soon!

Lisa Bentley made a very exciting visit this week and shared her book "I am not your hat!" and we then had a workshop to create our own stories and illustrations about a character called Baslow. We had great fun planning a story using a story mountain arc.

### REMINDERS:

We have loved this week and we couldn't do it without you! Thank you for getting fully involved in our world book day week!

Next week, we have our science week so listen out for all the fun we get up to including a workshop with Fizz Pop Science!

Year 3s we have our dance festival on Thursday and you have forest school on Wednesday this week!
