Life in all its fullness .. growing healthy minds and hearts together  
Kindness - Respect - Diversity

## EYFS Tigers

### Week 5 Spring 2 2026

Thank you for coming to our Easter Church Service at St Anne's on Wednesday, it was a lovely service and all the children did us proud. It was great to learn about this important Christian festival. The children made their own booklet about this special festival and a colourful plate with the message 'He is Risen!', they brought these home to share with their families. The children have made some lovely window crosses which you can see in the classroom, these crafts help the children begin to understand some of the Christian symbols that are associated with this special Christian celebration.

The children have also been learning about the other events that happen at Easter, finding out about the food that people eat, including hot cross buns and chocolate! We also found out about Easter egg hunts. Thanks to the children all working so hard to be kind over this term they have managed to fill up the class kindness jar and were rewarded with their very own Easter egg hunt, which they took part in wearing the rabbit headbands they had made.

The children also made an Easter card for their families based on an Easter rabbit and made an Easter basket and then made a chocolate nest to put in our basket alongside a rabbit decoration they had created and then they brought these home to share.

We finished our topic on 'What's in the garden?', it has been a fun topic with lots of opportunities to learn about how plants grow - we look forward to seeing how many of their sunflowers germinate and grow during the Summer term - we have seen a few already but do keep us informed!

A huge thanks to the EYFS parents who have completed and given back their 'Home Achievement' sheet which helps us see their learning journey at home and alongside the 'Parent Comment Sheet for Spring' helps give that rounded picture of your child's development. These are in their learning journey books alongside a mini report from school and the children will receive their certificates in the first week back for their effort and attainment. Do pop in and have a look at Open Door next term.

We will also be starting our 'Woodland Explorers' on Friday mornings, you will have had an email regarding arrangements for this.

Please do keep up the reading over the holiday, sticking to 2 minutes a day makes a huge difference. Thank you in advance for your help and support.

We hope you all have a happy and restful Easter break and look forward to seeing you on Monday 13<sup>th</sup> April. As always please do ask if you have any questions.
