

As **Historians and Geographers** we will:

We will recap on what countries make up the UK. Children will find out about the World's oceans and seas and label them on a World map. They will find out about human and physical features and identify examples of these.

Next term the children will be exploring their local area and looking at maps and directions.

As **Scientists** we will:

Year 1 – be learning about the change of season and animals and their young. They will also look at electricity, materials and their properties.

Year 2 – be learning about minibeasts and their basic needs. Growing/tending our garden allotment and creating a biodiverse environment for minibeast habitats.

As **Religious Investigators** we will:

The children will be looking at what it means to belong to a faith community? They will revisit what they know about Christian, Muslim and Jewish people, places of worship and symbols.

As **Musicians** we will:

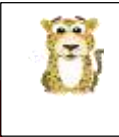

- Singing – on this island. Looking at song and sounds across Britain

Curriculum Map Summer 1 2026

Year 1/2

Leopards (Class 2)

Our Wonderful World

As **Readers and Writers** we will:

- Little wandle reading groups continue and build in use of Vipers skills
