Life in all its fullness .. growing healthy minds and hearts together
Kindness - Respect - Diversity

EYFS Tigers

Week 1 Summer 1 2026

We hope you have all had a lovely restful Easter break and the children (and you) are fully recharged ready for another hectic term ahead. The children have all settled back into school beautifully this week.

We finished off our topic from last term with the award of their end of topic certificates and the children really enjoyed looking through their completed Spring Learning Journey books, we hope you are able to come in and look through them too.

The children continue on their phonic journeys, consolidation those digraphs and trigraphs alongside their tricky words and we continue to help them learn to use these in their writing. As always a huge thanks to everyone who was able to continue with the reading over the holiday - it really does make a huge difference to the children's progress. Next week the children will be coming home with a comprehension key ring in their book bag - this gives you ideas of how to help them as they develop comprehension skills, with questions you can ask them about their books. As always if you have any questions about this please do not hesitate to come and have a chat.

We continue to celebrate with the children in the successes and achievements they are having in school through our various reward schemes. The children are now much more aware of the rewards that they can achieve and are all striving hard to reach these - just this week we celebrated children achieving their star award certificates, certificates celebrating learning various levels of sight words alongside Headteacher awards, class dojo points and star of the day. Information on all these are in the school leaflet you were given earlier in the year. We work with each child to ensure they know what their next targets are and look forward to even more celebrations over the coming term. We have started to think about our new topic 'Superheroes', beginning to think about pretend and real life superheroes we know.

We started our Friday morning 'woodland Explorers' sessions down at the Baslow Sports field and woodland area. It was a lovely morning a little chilly but a great introduction for the children. We started to learn the rules and enjoyed exploring with all our friends, including the Year 1's from Leopards. We also had a 'Signs of Spring hunt' and saw lots of signs that showed us nature is beginning to flourish.

We have started to look at our EYFS/Year 1 showcase which is going to be 'Little Red Riding Hood', you will receive an invitation to book tickets soon. We would love you to come and share in this exciting event!

As always please do come and ask if you have any questions.
