

Baslow St. Anne's C of E Primary School
Life in all its fullness .. growing healthy minds and hearts together
Kindness - Respect - Diversity

Year 1 Tigers

Week 1 Summer 1 2026

We hope you have all had a lovely restful Easter break and the children (and you) are fully recharged ready for another hectic term ahead. The children have all settled back into school beautifully this week.

We finished off our topic from last term with the award of their end of topic certificates and the children really enjoyed looking through their completed Spring Topic books, we hope you are able to come in and look through them too.

In Maths this week they have been focussing on length and height - looking at the vocabulary of these measurements and comparing lengths and heights and measuring using objects and centimetres.

We continue to celebrate with the children in the successes and achievements they are having in school through our various reward schemes. The children are very aware of the rewards that they can achieve and are all striving hard to reach these. We are working hard already on refilling the kindness jar and working on working as a team.

We started our Friday morning 'woodland Explorers' sessions down at the Baslow Sports field and woodland area. It was a lovely morning, a little chilly but dry and a great morning was had by all. We helped teach our EYFS friends the rules and enjoyed exploring with all our friends, including the Year 1's from Leopards. We had a 'Signs of Spring hunt' and saw lots of signs that showed us nature is beginning to flourish.

We started looking at our new topic 'Our Wonderful World', thinking about all the amazing things in our world and also beginning to think about how we can help look after it. We went on a walk around the top end of Baslow to help us find out about all the different features we can see in our beautiful environment.

We have started to look at our EYFS/Year 1 showcase which is going to be 'Little Red Riding Hood', you will receive an invitation to book tickets soon. We would love you to come and share in this exciting event!

As always please do come and ask if you have any questions.
