SUMMER 1, WEEK 1

THIS WEEK:

Welcome back- it's been great seeing everyone and we have had a lot of fun! In maths, we have been looking at money and converting from pennies to pounds.

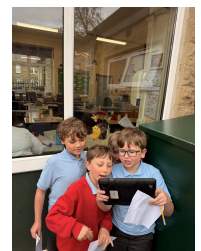

In English, we have been finding out about Spain through acting as travel agents and researching the different cities in Spain ready for making travel brochures next week.

In Geography, we looked in Atlases to find out the oceans and countries surrounding Spain and found a variety of cities to mark on our map.

In PE, we have been recapping our gymnastics and tennis skills and next week we will be going down to the tennis courts to continue this.

In art, we started looking at photography and used iPads to take photos of a variety of things around our school and tried to think out of the box.

REMINDERS:

Next week is a busy one!

Whitehall meeting on Monday at 3.20pm, please bring your children so they can ask questions too!
