

Baslow St. Anne's C of E Primary School
Life in all its fullness .. growing healthy minds and hearts together
Kindness - Respect - Diversity

Year 1 Tigers

Week 6 Summer 1 2026

What a busy week to finish this half term - we have loved spending even more time than usual with our Year 1 peers.

The Year 1 children did amazingly in their play 'Little Red Riding Hood' and we couldn't be prouder of them all. They managed 3 performances which included performing to the rest of the school, their parents and grandparents as well as our local nursery and many of the new intake who will join us in September. There was fantastic singing and acting and most importantly lots of smiles and happiness. It was fantastic to see them all having fun together.

Thank you for your kind comments about the play and again a huge thanks to everyone involved for making it such a success.

We took part in a whole school litter pick, our part was in making sure the school was clean and tidy. The older children went around the rest of Baslow helping the community to keep our environment a beautiful place to live in.

In science we finished our work on the seasons, finding out what the children have learnt about the four seasons we have in the UK. This includes how does it affect the plants and animals, as well as ourselves and what we do and wear. Next term we will be learning about materials.

We were lucky to finish the week with a dry and sunny morning down at the woods, everyone worked really hard on their PSHE skills in being kind and respectful to each other.

The children have been given an ILP (Independent Learning Project) to complete about an environmentalist of their choosing, we look forward to sharing these next term.

We hope you all have a lovely half term break and look forward to a final exciting term as Year 1's in Summer 2.

As always please do come and ask if you have any questions.
