

Baslow St. Anne's C of E Primary School
Life in all its fullness .. growing healthy minds and hearts together
Kindness - Respect - Diversity

EYFS Tigers

Week 6 Summer 1 2026

What a busy and fun filled week to finish our Summer 1 term.

The children were quite magnificent in their play 'Little Red Riding Hood' and we are so proud of them for all their singing and acting. Most importantly they had fun and loved doing it. They managed 3 performances which included performing to the rest of the school, their parents and grandparents as well as our local nursery and many of the new intake who will join us in September. The new intake children were then able to make a wolf face to take home thanks to Miss Grant and the lovely lion class.

Thank you for your kind comments about the play and again a huge thanks to everyone involved for making it such a success.

We took part in a whole school litter pick, our part was in making sure the school was clean and tidy. The older children went around the rest of Baslow helping the community to keep our environment a beautiful place to live in.

We finished our topic work on superheroes by designing and creating an emergency vehicle as used by some real life superheroes. The children researched their vehicle, drew a plan of what they wanted it to look like and then set to work to create a moving vehicle. They had painted their box the previous week so were able to add the details they wanted. We tested out the vehicles to see if they moved and then they compiled an evaluation sheet, looking at what they liked best about their vehicle and what they would like to improve on it. They took them home to share with their families. Amazing vehicles!

We were lucky to finish the week with a dry and sunny morning down at the woods, everyone worked really hard on their PSHE skills in being kind and respectful to each other.

We have sent home extra books and tricky words to help the children continue on their reading journeys, we couldn't be prouder of how well they are all doing and how much progress has been made this year. A huge thanks to you all in your support with their learning, it makes such a difference.

We hope you all have a lovely half term break and look forward to a final exciting term as Year 1's in Summer 2.

As always please do come and ask if you have any questions.
