

CLASS 3 NEWSLETTER

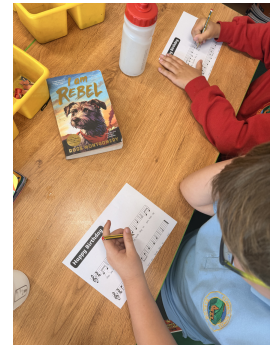

SUMMER 2, WEEK 2

THIS WEEK:

We have had a lovely week despite the rainy weather. We have been practising for our sports day next week and had a great final lesson down at the tennis courts on Monday.

In English, we have been recapping the year 3 and 4 grammar skills including clauses, conjunctions and fronted adverbials.

In art, we have been drawing some pencil sketches of the school in preparation for our 150th celebrations. In music, we read the notes on the stave and played happy birthday on the glockenspiels.

In maths, we have been learning about capacity in year 3 and year 4 have worked hard on their times table test. We have then started learning about position and direction and we all found out about 3D shapes on Friday.

REMINDERS:

Next week:

Thursday - Sports day!

Saturday - (optional) Park run on the Monsal Trail
