SUMMER 2, WEEK 3

THIS WEEK:

What a week! Sport's day was a fantastic morning and everyone did so well! I'm so proud of Class 3 for trying their best and celebrating others when they do well!

In the afternoon, we headed back to the sports field to take part in a sports festival. The children tried a range of different activities from golf to scatterball. It was great fun!

In English, we have been finding out about the history of the school. It has been amazing to see how the school has changed over time!

In science, we have been continuing to learn about the environment. We had a look in packed lunch boxes at the rubbish and whether we could reduce, reuse or recycle. In Y4 maths, we were sorting shapes into the different types of triangle.
