

CLASS 3 NEWSLETTER

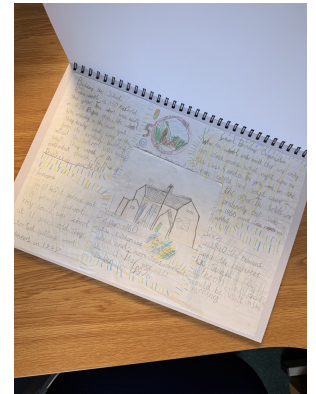

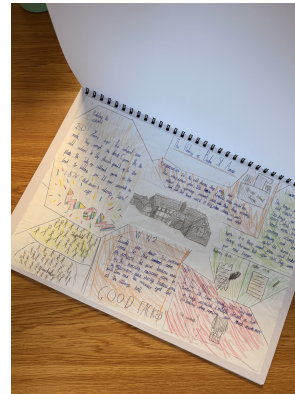

SUMMER 2, WEEK 4

THIS WEEK:

Well that was a warm week! We had a fantastic day at our 150th celebrations tea party and library opening with Helen Rutter on Friday.

In English, we have continued writing our double page spreads about the history of the school to show our special guests on Thursday.

In maths, we went outside to learn about volume and capacity and measuring liquids.

REMINDERS:

Thank you so much to everyone for all your donations and help with our 150th celebrations! It's really appreciated by all of Baslow St Anne's School Staff and children.
