EYFS and Year 1 Tigers
Week 7 + 8 Summer 2 2026

Thank
you

Well done everyone - the summer holidays are here! A long half term but in many ways the year has gone by in a flash. We are so proud of the everyone in Tigers, they have been a fantastic group and it has been a privilege to see both year groups work so hard, have so much fun and make such fantastic progress. We know they are all ready for the next steps in their journey.

We have been doing lots of transition work thinking about our new year groups for September. The children have written about themselves and talked about the things they enjoy doing. We also enjoyed sharing our Year 6's journeys by watching their nativity from their first years at school and taking part in their Leavers' service down at church. We presented them each with a portrait painted by EYFS and KS1. As always this is a treasured item by our Year 6 children who look forward to receiving their painting each year.

The children have really enjoyed looking back at how far they have come with their writing over the year. They have all learnt so much as readers and writers and we know this will continue. They also looked through their latest topic / learning journey books and were awarded certificates for their hard work over this past term.

They have brought home much of their work to keep and share with you at home.

In response to requests from parents the children came home with information about possible summer activities - this included reading, phonics, writing and maths alongside a summer bingo sheet of many different activities. We look forward to hearing about the adventures our soon to be Year 1 children get up to with their new stone friend.

We hope you found the information we gave you about your child moving year groups and the information on the Year 1 and 2 curriculum useful. As always we are very happy to have any feedback about any of this as it helps us improve.

Thank you also for the very kind words many of you said about the team in Tigers, we very much appreciate your appreciation! We are so lucky to have parents who are keen and able to work in partnership with school. We do understand there is such a lot to take on especially if it is your first child in school - but can we say you have all been stars! Thank you. May I also pass on mine and all the Tiger teams thanks for the lovely cards and gifts.

Finally a huge thanks for all your support over the past year, it has been a fantastic class to work with and fun for all as well as making many super memories to treasure.

Have a wonderful summer and we look forward to seeing you back at school in September.

As always please do come and ask if you have any questions.
