EYFS

Week 2 Autumn 1 2026

Well done everyone (children and parents) for another great week, the children really have done brilliantly and we are very proud of them all.

The children have continued to settle well, learning new routines such as our physical literacy - Wiggle to Squiggle which will help with their handwriting skills. They have also been introduced to our maths sessions where we have started with our counting songs and reciting numbers. The children have also enjoyed the school lunches and the extra playtime.

We have really loved sharing their 'Talking Shoeboxes'. These have been fantastic in helping us get to know the children and a huge thanks to everyone for bringing in. The children have continued to learn about our morning 'Rainbow Cards' which encourage them to try a range of activities over a week.

We have been exploring what makes a good friend and the children worked together to discuss what they think makes a good friend.

The children each painted a picture of themselves, these can all be seen on the Tiger class display in our corridor - do come and have a look at Open Door (Monday and Wednesday).

They are coping well with their second week and are excited to be staying all day from Monday. We know the full days may well be quite tiring to begin with but they will get used to those longer days we know.

Reminder for EYFS parents :- Meeting Wednesday 23rd September 2.30pm in school.

As always please do come and ask if you have any questions.
