

CLASS 3 NEWSLETTER

AUTUMN 1, WEEK 1

THIS WEEK:

What an exciting week we have had! It has been fantastic getting to know all the new faces and personalities in the classroom and I am really excited for the year ahead.

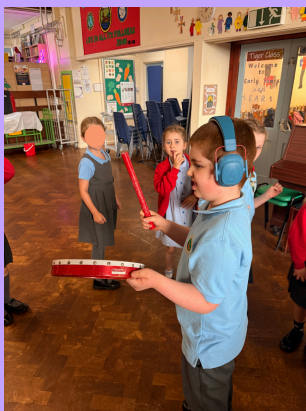

In maths, we have been exploring place value and how numbers are made. We used cheerios to demonstrate grouping in 10s, 100s and then 1000s!

In PE, we played some team games, working on communication and emotional control as well as having a laugh together. In music, we started our singing project recapping pulse and some singing games. We are developing our confidence and supporting our peers.

In English, we have been working on our joined handwriting and we wrote about our Summer holidays. In PSHE, we have been learning about our executive functioning skills like memory and the benefits of having a growth mindset.

REMINDERS:

Thank you for a lovely week back at school.

Reminders for children to make sure their water bottle, snack and reading book are out of their bag each morning.
