

CLASS 3 NEWSLETTER

AUTUMN 1, WEEK 2

THIS WEEK:

We have had another great week full of fun, reading and more! We have chosen our new class read *The Bolds on Holiday*! We are enjoying listening to it together.

In English, we have started our class book - *The Worrysaurus* and we have been developing our grammar and sentence skills.

In maths, we have been continuing to explore place value and understanding the place value of numbers to 1000.

In science, we have started exploring the properties of rocks and being able to compare different kinds of rocks based on their appearance.

In art, we explored the colour wheel and found out about the artist Romare Bearden.

In PSHE, we have been continuing to explore our emotions and executive functioning skills. We have discussed the feeling of happy and thought, discussed and drew the things that made us happy. In PE, we have been developing our throwing and catching in preparation for learning the rules for dodgeball.

REMINDERS:

Well done on another fantastic week.

Reminders about healthy snacks (no crisps) and only water in their water bottles as we are a healthy school.
