The staff, parents, carers and governors of Baslow St. Anne's C. of E. Primary School believe that children thrive in a supportive atmosphere created by a successful partnership between home and school, striving towards our vision of Life in all its fullness…growing healthy minds and hearts together, underpinned with our core values of: respect, kindness and diversity. Therefore, we all agree to work together to: -

- Support the school with fostering our core values of respect, kindness and diversity and all work together to enable our children to experience a '*life in all its fullness'.*
- Support the school with road safety, park safely and respect our road safety one-way system and show courtesy to our neighbours and local residents.
- Recognise that the interests of all children, individually and as a group, require parents to take an active interest in the school and to be supportive of the school codes of conduct and behaviour.
- Foster mutual respect between pupils, parents, staff and governors.
- Ensure regular, punctual attendance of the child and that they are appropriately dressed in full school uniform and equipped with full P.E. kit in order to partake fully in the school curriculum.
- Identify any potential concerns with the child whether behavioural, learning or social and work together with school staff to achieve effective solutions and inclusion.
- Support the school's homework policy and your child's participation by ensuring he/she completes given tasks.
- Support, with best efforts, any required remote home learning in the event of school closures.
- Support the school by promoting safe use of the internet and digital technology at home, and inform the school if there are any concerns over a child's online safety.
