Baslow St. Anne's C of E Primary School

Life in all its fullness .. growing healthy minds and hearts together

Kindness - Respect - Diversity

Year 1 Tigers

Week 2 Autumn 2 2026

Another busy week in Tigers.

The children have been working hard on being those great role models to their EYFS friends, they have been encouraging creative play at lunchtimes and showing their friends how to listen carefully and to follow our Tiger mantra – 'In Tigers we can do hard things, we can try our best and we can be good friends'.

We have been thinking about the season of Autumn and the children worked together to think about adjectives that could be used to describe things that we see, hear, smell, taste and touch in Autumn. They used these to write their own Autumn senses poem which you can see in the class book in the reading corner.

They have taken part in activities to help them further understand Remembrance Day and why we have this special day. The Year 1 children made themselves a poppy to take home, it involved listening carefully to a set of instructions and then encouraging them to develop independence in their cutting and sticking skills. They also created some striking pictures using water colours – do come and look at these on our class display. They took part in a whole class 'Big Art' project using their own bodies to create a large scale poppy outside in the Infant garden. They also wrote about some of the reasons we have Remembrance Day. The children took part in the 2 minutes silence with all of the Tigers and Leopards and later in the day listened to Helen play her cornet for the last post.

In science we have been looking at the weather and how it changes and how we can find out about the weather through forecasts and learning about weather symbols. They are going to help record the weather for a week in school.

The children finished the week by taking part in our EYFS and KS1 enterprise fund raising for Children in Need. They took part in a 'Walk a mile for Pudsey' and made themselves a Pudsey badge to wear. On the Friday they came to school in a variety of Pudsey clothes and in the afternoon they helped run the book and toy stalls and then had a go at the games run by Leopards. A huge thanks to the parents of Tigers and Leopards for organising and running a cake sale after school, all of the money was added to the total for Children in Need. We will let you know as soon as possible how much money the children raised. It is an important event which the children love doing but also helps them think about others outside of our immediate community, all of which are important lessons for life.

As always please ask if you have any questions.
